### LITTLE CHERUBS ROOM UPDATE:

We are having fun with Valentine's Day crafts, visiting the library for noisy time and also feeding the ducks, and lots more messy play including shaving foam and spaghetti!

### LITTLE ANGELS ROOM UPDATE:

We are celebrating Valentine's Day by making heart biscuits, and also making pancakes for Pancake Day.

### LITTLE STARS ROOMS UPDATE:

We are celebrating Valentine's Day by making biscuits and cards; we will be making pancakes for Pancake Day. We will also be doing lots of activities with the beat baby for our letters and sounds time.

As you are all aware by now, the main part of the planning comes from child initiated activities so these ideas have come from the staff.

The staff will then observe the children throughout January and plan activities from their observations to help move the children on and keep them focused on things they enjoy doing.
